CODE OF BEHAVIOUR (UNDERAGE)

The publication by the Gaelic Athletic Association, Ladies Gaelic Football Association, the Camogie Association, GAA Handball Ireland and the Rounders Council of Ireland of this joint Code of Behaviour (Underage) is a milestone for our Associations, replacing as it does the previous Code of Best Practice in Youth Sport.

This new Code brings together the collective good practice experiences of our Associations and marks a momentous occasion as we seek, through the implementation of an agreed and joint policy document, that while promoting our games amongst young people we also seek to provide a safe environment in which we can develop children, under 18 years of age, in a caring and respectful environment within our respective Associations. This Code applies to all persons under 18 yrs. of age who participate in our games or other activities and to those who work with them and assist them in any capacity on our behalf.

The value of providing a joint Code for our members enables us to jointly promote the legislative, organisational and statutory guidance that governs our work with young people and children. This will assist and direct our members and units in our work and provide a platform and support for those working with young people and children at all levels in our Associations.

Our Associations, in common with others who work with young people and children, will continue to abide by and integrate child welfare legislation and statutory guidance into our work, regardless of the jurisdiction in which we operate. In upholding this principle, the welfare of the child shall always be our paramount consideration, whether it is on the playing fields, in the training of our underage players, the recruitment of our coaches, the active involvement of parents in our work or the many other developmental and social opportunities that we offer our underage players on a daily and weekly basis.

If the local community is a bedrock of our Association so also are our underage players, many of whom will play our games from childhood to adulthood and will hopefully progress in later years to coaching and mentoring roles, more often than not in the same Club.

Young people will spend some of the most enjoyable days of their lives playing our games and socialising with their friends in each of our Associations. Whether attending or playing GAA matches, playing Ladies Football or Camogie, or participating in Rounders or Handball activities, they will do so during some of the most important developmental years of their lives. Our role and our responsibility is to ensure that they benefit from and participate in our Gaelic Games in a safe and enjoyable environment where our Games are conducted in a spirit of fair play with everyone who works on our behalf emphasising respect, equality, safety and non-discrimination in all aspects of our work with children and young people. Each member of our Associations has a responsibility to accept and implement this Code as it directs us in such work. Breaches of the Code may be enquired into and if required sanctions may be applied in accordance with other provisions of the Code.

For the purpose of ease of access, this Code will be distributed amongst our various units and will form part of our joint Safeguarding Training. In the interest of clarity and accuracy, any amendments to the Code shall appear in the Code of Behaviour (Underage) available on each of our Associations' websites. Mol an Óige agus tiocfaidh sí.

On an annual basis each of our Associations are obliged to adopt and put on display what is termed a Child Safeguarding Statement. This is a legislative requirement in many jurisdictions and as it is now enshrined in the Code of Behaviour (Underage) it automatically applies to all Clubs and to our County Boards and Provincial Councils.

Prior to agreeing a Child Safeguarding Statement each 'unit' is required to carry out a risk assessment, i.e. a risk assessment as to the risk of harm that could come to a child in their care, following which they can then put their Child Safeguarding Statement on display.

By putting the Child Safeguarding Statement on display, for example in a Clubhouse or Club hall, it draws positive attention to the procedures, policies and practices we have in place to safeguard children, as far as practicable, from risk when they are attending our games or other Association activities. It identifies that as a basic right we recognise that all children have the right to be protected from harm.

Previous experiences show that discussions on the risk of harm to children in our care inevitably leads to a greater awareness of the child safeguarding measures we undertake in our day-to-day work within our Gaelic Games Associations. Such discussions also draw attention to our child safeguarding policies, the activities we provide and the legislation that is in place to assist us in our roles. Each unit e.g. Club, is required to complete this procedure at Club Executive level and must record, sign and date when this took place and furnish a copy of the completed document to their County Children's Officer.

Where possible and in accordance with the local Club structures one overall risk assessment procedure and the displaying of one agreed Child Safeguarding Statement shall suffice.

This section of the Code of Behaviour (Underage) contains a draft Child Safeguarding Statement which may be adopted in full or amended and subsequently put on display by Clubs, County Boards and Provincial Councils, following the completion of the risk assessment process.

Our Associations are committed to creating and maintaining the safest possible environment for all young people who participate in our Gaelic Games and activities. We shall take all practicable steps to protect them from discernable forms of abuse, from harm, discrimination or degrading treatment and shall respect their rights, wishes and feelings and the Risk Assessment and Child Safeguarding process contributes to this aim.

2018 Child Safeguarding Statement

The Gaelic Athletics Associations (GAA, LGFA, Camogie, Rounders, and Handball) in accordance with our Code of Behaviour (Underage) and our legislative requirements have agreed this Child Safeguarding Statement which is binding on all members and units of our Associations.

The basic aims of the Gaelic Games Associations include fostering and developing our Gaelic Games and Irish cultural activities among young people and children.

These games and related activities are organised and promoted by dedicated volunteers at Club, County, Provincial and National levels with the cooperation and support of an equally dedicated cohort of staff all of whom are committed to the safeguarding of children in our Associations as we seek to create a safe environment for young people to grow and develop.

We have completed an assessment of the potential for harm to children when they are participating in our games and attending our activities under the following headings: Club and Coaching Practices; Complaints & Discipline; Reporting Procedures; Use of Facilities; Recruitment; Communications and a further heading of General Risk of Harm.

In addition to our Risk Assessment document described above, the following procedures support our intention to safeguard children availing of our services:

- Code of Behaviour (Underage) which includes
 - Recruitment policy for those working with children
 - Child safeguarding training requirements
 - Anti-Bullying statement
 - Social Media policy
- Guidance for Dealing and Reporting Allegations or Concerns of Abuse by staff or volunteers
- Appointing Designated Liaison Persons at Club, County and national levels
- Appointing Children's Officers at Club, County and national levels who shall be the Association's relevant persons or first point of contact in respect of this statement

The GAA appointed Mandated Person, who has a legal obligation to report harm of children as per legislation is Gearóid Ó Maoilmhichíl. Contact: mandatedperson@gaa.ie.

We are committed to the implementation of this Child Safeguarding Statement and the procedures contained therein that outline our intentions to keep children safe from harm.

Our Child Safeguarding Statement has been prepared in accordance with the legislature requirements contained in the Children First Act 2015 and the Children (NI) Order 1995 and as required by our Association rules and will be reviewed in January 2019.

Club Children's Officer

INTRODUCTION

This booklet titled ‘Maintaining Appropriate Levels of Behaviour in our Work with Children and Young People’ addresses the minimum levels of behaviour, practice and conduct required from our Young Players, Coaches, Supporters, Parents/Guardians, Referees and Clubs and from those who work with them on our behalf.

Much of this booklet also forms part of the overall Code of Behaviour (Underage). The Code is a policy document agreed by the Gaelic Athletic Association, the Camogie Association, the Ladies Gaelic Football Association, GAA Handball Ireland and the Rounders Council of Ireland. The contents of the booklet shall assist those who promote and participate in our Gaelic Games as we seek to ensure the implementation of the highest possible standards in our work with children and young people.

Throughout this booklet the terms children, underage, young people and young players may be used when referring to any person who is under 18 years of age, regardless of what team or age group they play with.

Those involved in our activities shall accept the roles and responsibilities that they undertake as we, the Gaelic Games Associations, commit ourselves to maintaining an enjoyable and safe environment for all where the safeguarding of our members will always be paramount.

Should a breach of the Code be alleged, or when people may refuse to adhere to the contents of the Code, certain actions may be deemed necessary and appropriate so as to protect the integrity of our work with children and young people and also to ensure that they receive the best possible care, attention and protection while participating in our Games. The Children’s Officer shall have a central role to play in promoting and implementing the Code at Club and County level and if called upon to assist in processing breaches of the Code as appropriate.

Alleged breaches of this Code may therefore be enquired into at Club, County, Provincial or National level in accordance with the guidance contained elsewhere in the Code of Behaviour with particular reference to the section that outlines ‘How to Deal with Alleged Breaches of the Code of Behaviour’ following which sanctions or disciplinary action may be taken against those who have been proven to have breached the Code.

This Code applies to all young players under 18 years of age, and those who assist them in the preparation and playing of our games, regardless of competition or age groups. Clubs and County Boards who are responsible for organising our games at local level are obliged to implement the Code of Behaviour in the preparation of their teams and players for all competitions and at all levels including Club blitzes, inter Club games, County development squads and inter County games.

It is recommended that Coaches, Parents/Guardians and Players sign this Code of Behaviour and present the signed document to their Children’s Officer.

It is our wish that this Code is developed, promoted and implemented as an initiative that encourages fair play, respect, equality, safety and non-discrimination in all aspects of our work with children and young people.

In developing the skills levels of every player, Coaches should always encourage enjoyment and fun while ensuring meaningful participation in our games and activities. Coaches should always remember that they are role models for the players in their care.

All such reports must also be forwarded to your Association's Mandated Person, without delay.

PARENTS/GUARDIANS

Parents/Guardians have an influential role to play in assisting and encouraging their children to fully participate in Gaelic Games, whether by playing our games or attending training or coaching sessions. Our Associations constantly seek the active participation of all parents and guardians, particularly at Club level, where the ethos of volunteerism forms the basis of our community led Clubs.

In common with Coaches and Club personnel the Parents/Guardians of underage players should act as role models for their children as they participate in Gaelic Games.

PARENTS/GUARDIANS SHOULD ENCOURAGE THEIR CHILD TO:

Fellow supporters have a responsibility to ensure that all spectators conduct themselves in an acceptable and well behaved manner at all times, when attending our games and competitions. Unacceptable conduct by supporters should be reported to stewards or officials in charge (if appropriate) or at Club level to the Children's Officer.

Referees are conscious of the fact that they are instrumental in ensuring our games are played in a sporting manner in accordance with the rules of the game.

Players, Coaches, Mentors, Parents/Guardians and other Club personnel have a key role to play in the delivery of this aspect of our Gaelic Games particularly when working with underage players. The manner in which we accept the role, authority and decisions of a Referee will naturally be scrutinised very closely by our underage players.

THE CLUB

All Clubs that cater for underage players must do so with a child centred approach and philosophy that recognises that the welfare of the child is paramount.

Clubs must ensure that those chosen to work on their behalf with underage players have been selected following a thorough recruitment, selection, training and coaching procedure which includes relevant vetting in accordance with the jurisdiction requirements in which we operate.

A number of non-coaching roles with children, carried out on behalf of the Club, may also require that the chosen individuals should be vetted via our e-vetting procedures. Such requirements are elaborated upon in greater detail in Section 5 of the Code of Behaviour (Underage), the Recruitment and Selection of Coaches and other Volunteers.

While the purpose of any specified role and the frequency of activity by an individual may influence the immediate necessity to have such persons vetted it is recommended that Clubs should act on the side of caution and where deemed appropriate seek the vetting and child safeguarding training of individuals relevant to their roles. Such individuals could include bus drivers of underage club teams employed by the Club, parents who regularly drive children to games on behalf of the club, physios etc.

Clubs must also provide those that work on our behalf with the necessary supports so as to enable them fulfil their roles. Clubs must ensure that those chosen to work with children and young people are at all times competent and confident in their roles and have received relevant child welfare and sports related training, as provided or instructed by their Governing Body to enable them fulfil such roles.

CLUBS SHOULD PROMOTE QUALITY PARTICIPATION BY:

- Adopting the Code of Behaviour as a basic level of agreement between the Club and their players, their coaches, parents/guardians and supporters.
- Leading by example and ensuring that a user friendly and child centred approach is adopted in our work with young people and that equal opportunities are available for all to participate in our games and activities, regardless of an individual's ability.
- Developing effective procedures for responding to and recording all attendances, incidents, accidents and injuries.
- Accessing relevant information on Alcohol and Substance Abuse Prevention Programmes and promoting relevant training in this area of health awareness for relevant Club personnel.
- Distributing information on Anti-Bullying strategies in our work with young people and by adopting and implementing an Anti-Bullying statement in the Club.

CLUBS SHOULD ENCOURAGE THE PARTICIPATION OF THEIR MEMBERS BY:

- Agreeing the role of each and every coach or mentor working with young people.
- Ensuring that relevant Child Protection Training is undertaken by all persons working in an official capacity with children and young people in the Club.
- Adopting and implementing clearly defined recruitment and selection procedures when choosing coaches and other relevant personnel to work with children and young people.

ENCOURAGE THE PARTICIPATION OF YOUNG PLAYERS BY:

- Ensuring that training schedules, playing rules, use of equipment and length of games are structured to facilitate greater participation by all Young Players, and are suitable to all age categories, and to the ability and maturity level of players.
- Not imposing responsibilities or roles on young people that may be inappropriate to their age.
- Respecting the rights, dignity and worth of all players and treating them equally regardless of their age, gender, ability, ethnic origin, cultural background or religion.
- Creating pathways for young people to participate in our games not just as players but by affording them other developmental opportunities including training to become referees, coaches etc.
- Ensuring that when the team may travel away and stay overnight that separate sleeping facilities are provided for all adults and for young people. Similarly, for mixed groups, separate sleeping quarters for males and females shall be required.
- When a group consists of both males and females, that an adequate adult to member ratio of male and female coaches is present.

ENCOURAGE THE PARTICIPATION OF PARENTS/GUARDIANS BY:

SAFEGUARDING CHILDREN – GAELIC GAMES ASSOCIATIONS' AGREED PROCEDURES

The Gaelic Athletics Associations, Ladies Gaelic Football Association, the Camogie Association, GAA Handball Ireland and GAA Rounders of Ireland have agreed a number of joint Child Safeguarding initiatives and policies so as to ensure, in so far as is, practicably possible, the safety of children from the risk harm while playing our games and participating in our activities.

The adoption of such agreed documents alone will not achieve this aim. However, the continuous commitment and implementation of such good practices by dedicated volunteers at Club, County, Provincial and National levels, with the cooperation and support of an equally dedicated cohort of staff, will assist us as we seek to create a safe environment for young people in which to grow and develop. Equally so the role of parents in supporting our work and the vigilance of our members as we jointly pursue this aim.

In particular agreed procedures now require that all coaches of underage teams or teams that include any person under 18 years of age must fulfil the following criteria;

- Undertake agreed vetting and background Police checks within the jurisdiction(s) in which they operate.
- Attend relevant Gaelic Games child safeguarding training.
- Possess a coaching qualification relevant to their role as recognised by their Association.

Our agreed policies and procedures are in accordance with current legislative requirements and include:

- The publication of a Child Safeguarding Statement which is binding on all members and units of our Associations.
- Carrying out an annual Risk Assessment procedure at Club, County and National levels.
- A Code of Behaviour (Underage) which includes:
 - Recruitment policy for those working with children
 - Child safeguarding training requirements
 - Anti-Bullying statement
 - Social Media policy
- Guidance for Dealing with and Reporting Allegations or Concerns of Abuse
- Appointing Designated Liaison Persons at Club, County and national levels.
- Appointing Children's Officers at Club, County and National levels who shall be the Association's relevant persons or first point of contact in respect of this statement
- Appointing a Mandated Person in the GAA, LGFA, Camogie and Handball Associations. (The GAA Mandated Person also fulfils the mandated role with GAA Rounders).

 - 1.1.2. Ladies Gaelic Football Association (“the LGFA”);
 - 1.1.3. The Camogie Association;
 - 1.1.4. GAA Handball Ireland;
 - 1.1.5. Rounders Council of Ireland.
(collectively “the Associations”)
- 1.2. The Code of Behaviour (Underage) outlines the standards of practice required of those participating in underage games and activities, regardless of what role they may play and in doing so, brings together the collective good practice experiences of our Associations while also recognising legislative, organisational and statutory guidance that governs our work with young people and children.
- 1.3. Our Associations are committed to creating and maintaining a safe and enjoyable environment for all young people and children who participate in our sports. In upholding this principle, our Associations will continue to abide by and integrate child welfare legislation and statutory guidance into our work in all jurisdictions in which we operate.
- 1.4. The welfare of the child shall always be our paramount consideration, whether it is on the playing fields, in the training of our underage players, in the recruitment of our coaches or the many other developmental and social opportunities that we offer our underage players on a regular basis.
- 1.5. The promotion and implementation of the Code of Behaviour (Underage) is everybody’s responsibility.

- 1.6. Unfortunately, breaches of the Code of Behaviour (Underage) may occur from time to time, some of which may be minor breaches and some of which may be major breaches. Breaches may happen for a number of reasons including, but not limited to, carelessness, poor practice, and a lack of understanding or there may be, in some instances, deliberate or calculated breaches of the Code of Behaviour (Underage).
- 1.7. This document, Dealing with Alleged Breaches of the Code of Behaviour (Underage), forms part of the Code of Behaviour (Underage) and sets out the procedures to be followed in the event of an alleged breach of the Code of Behaviour (Underage), the disciplinary procedures to be applied for a breach that has occurred and the sanctions that may be imposed for breaches of the Code of Behaviour (Underage).

From their early years to their late teens young people continue to gain from the knowledge, experience and skills that adults, acting in a coaching role, bring in the promotion of our Gaelic Games. Such supports presents these children with a sense of achievement, with an opportunity to develop their individual and team skills and promotes a sense of fun and fair play in our underage games.

This support, led primarily by adults who work in a voluntary capacity, must always be delivered in accordance with Association child safeguarding guidance and acceptable standards of coaching. We greatly rely on the thousands of adults, whether it is parents or coaches, who give freely of their time to our juvenile structures and underage membership, but equally recognise that their contribution must, at all times, be in accordance with our own guidance and statutory requirements.

Those that promote our games primarily at club level have a responsibility to young people and to their parents and guardians to ensure that our coaches and mentors, who have been chosen to work in a supervisory and supportive capacity with children and young people, are selected supported and trained to fulfil their roles in a careful, sensible and effective manner.

This unique bond in sport is based on a trusting and mutually respectful relationship and can be enhanced by the recruitment, selection and up-skilling of adults who are suitable to such roles. While the role of the adult may vary from team to team and from age group to age group it is however essential that regardless of such variations in role that adults are fully aware at the outset as to what is expected of them, what supports they will receive and what levels of responsibility they themselves have on behalf of the team, the club, the parents and the young people in their care.

This we can achieve by adopting good practice procedures and adhering to our Code of Behaviour when we recruit our managers, coaches and other personnel who work with children and young people on our behalf. Statutory guidance and legislative requirements are now more stringent when recruiting adults to work with children. These requirements apply to our Gaelic Games Associations as they do to all sports bodies or to youth clubs or other recreational or educational services. We are duty bound to ensure that all adults who work with children and young people in our Associations are carefully chosen to carry out whatever tasks we ask of them.

This Code of Behaviour (Underage) affirms the policy position that all coaches who work with children and young people must:

- Undergo vetting or police background checks
- Must attend relevant child safeguarding training as approved by our Associations
- Must obtain a minimum coaching qualification

The following recruitment and selection guidelines are put in place as a support mechanism so as to ensure that those recruited adhere to the best possible standards that we have adopted in ensuring that our Games are played and promoted in an enjoyable, safe and developmental environment.

GUIDANCE ON RECRUITMENT AND SELECTION

It is essential that all adults who have undertaken a role of responsibility with children and young people, whether in a paid or unpaid capacity, should undergo a recruitment and selection procedure prior to commencing their role. The recruitment of adults to work with underage teams should be co-ordinated by a senior and experienced member of the club, with the advice or involvement of the Children's Officer. All such recruitment should be done confidentially.

The following procedures will assist Clubs when choosing to place coaches and other personnel in the position to which that are best suited.

1 ROLE CLARIFICATION

The role and responsibilities envisaged e.g. manager, coach, and the team's age group should be clearly known and stated at the outset. Any specific levels of experience or qualifications required should also be clarified at the outset.

2 ROLE ASSISTANCE

The various supports available via the club, e.g. Foundation Level Coaching, Child Safeguarding Training are basic good practice coaching requirements for adults who wish to work with underage teams in the promotion of our Gaelic Games.

3 APPLICATION FORM

Applicants should complete an application form prior to commencing any coaching role.

4 REFERENCES

Applicants should submit references. These may refer to the person's character and if applicable to their previous background in sports and in Gaelic Games. References should be verified.

5 VETTING AND POLICE CHECKS

All applicants are required to complete Garda Vetting and/or Police Checks, as appropriate, prior to the commencement of their role(s) with young people in the Association.

6 CHILD SAFEGUARDING TRAINING AND COACHING QUALIFICATION

All persons working with underage players are required to undertake recognised Child Safeguarding Training as promoted by the Gaelic Games Associations and must also possess a coaching qualification.

7 MEET THE APPLICANT

A senior representative of the Club should meet with each applicant to ensure that they are aware of the role(s) allocated to them and they may use the occasion to clarify any issues that may arise and identify any coaching or up-skilling needs as appropriate.

8 CODE OF BEHAVIOUR (UNDERAGE)

All persons who work with young people will be required to sign the Code of Behaviour

9 SUPPORT AND REVIEW

Continuous supports should be made available to all coaches etc. so as to enable them fulfil their roles as requested. The role of the Club 'Coiste na nÓg' and of the Club Children's Officer may be invaluable in identifying such supports. Clubs should review the role of all coaches annually.

DELIVERING A VETTING SERVICE AT LOCAL AND NATIONAL LEVEL

VETTING IN THE GAELIC GAMES ASSOCIATIONS

The Gaelic Games Associations comprising of the GAA, LGFA, Camogie, Rounders and Handball Associations, have a long established principle of vetting any person who, on our behalf, works with children or vulnerable adults in any of our Associations. This principle is enshrined in rule through our Code of Behaviour (Underage) and has become part of the overall recruitment and selection process for those who wish to work with children in our Associations whether it be in a voluntary or paid role.

For the purpose of clarification the GAA administers vetting for GAA Clubs and members and also for Handball and Rounders Association members while the Camogie Association and the Ladies Gaelic Football Association does likewise for their membership.

We do not provide a vetting service for members of the public but where a non-member has been invited to provide a coaching or training role to under 18 yr. olds they may, for that purpose, avail of our vetting services.

Vetting services for the Association are currently overseen by our Offices in Croke Park while Comhairle Uladh acts

on our behalf in coordinating AccessNI vetting services.

All international units are obliged to adhere to the legislative vetting and police background checks that are required in the jurisdiction in which they operate.

Vetting by the National Vetting Bureau for the Gaelic Games Associations

LEGISLATION

The National Vetting Bureau (Children & Vulnerable Persons) Acts 2012 - 2016 commenced on 29th April 2016 and from that date a statutory obligation was placed upon our Associations to ensure that all persons who on our behalf undertake 'relevant work' with children are vetted prior to taking up that role in Ireland.

The Act also established the National Vetting Bureau (NVB) to oversee the e-vetting services previously administered by the Garda Central Vetting Unit.

WHO NEEDS TO BE VETTED?

In the Gaelic Games Associations any person who carries out a role of responsibility such as coaching, managing or training underage teams or indeed adult teams that contain any player under 18 yrs. of age must be vetted. This requirement also applies to organising underage activities or refereeing underage games, to bus drivers employed by a club or a team and to physios working with our underage players. Thereafter, each club shall decide if other specific roles merit a person being vetted.

IS IT AN OFFENCE TO WORK WITH CHILDREN IF YOU ARE NOT VETTED?

It is a criminal offence, for a person acting on behalf of the Gaelic Games Associations, or for any of our Associations to permit any person to commence working with children on our behalf without that person first obtaining a vetting disclosure from the National Vetting Bureau in respect of the role for which they have been recruited. It is also a breach of Association rule if you are working with children or vulnerable adults on behalf of any of our Associations and have not been vetted.

WHAT IF THE VETTING APPLICANT IS UNDER 18 YRS. OF AGE?

Gaelic Games Associations vetting is available to any person over 16 yrs. of age fulfilling a role of responsibility with children or vulnerable adults. A parental consent form, NVB Parent/Guardian Consent Form, must be completed in advance of submitting an application for persons aged between 16 and 18 yrs. of age.

E-VETTING IN THE GAELIC GAMES ASSOCIATIONS

The following outlines the vetting process carried out by the National Vetting Bureau in collaboration with our Associations via what is termed and on-line or E-Vetting system. Since the Vetting Acts came into being on 29 April 2016 our Associations have replaced previous 'paper vetting applications' with the new on line or E-Vetting system.

HOW CAN A MEMBER AVAIL OF OUR ASSOCIATIONS' E-VETTING SERVICES?

Vetting for a member involves 3 easy to follow steps as follows:

Step 1 – The ID process:

An applicant, i.e. a member of one of the Gaelic Games Associations, must through their own Associations website, complete the first step which is the completion of the Association's E-Vetting ID Form. This form compels you to provide proof of your identity to your Club Children's Officer, who must verify that they have received the ID documentation as required. The ID verification shall be retained by the Club Children's Officer for the duration of the e-vetting process or it may be attached by the applicant at Step 2 to the on Line Vetting Application Form.

The primary purpose of this form provides for an applicant to provide their name, address and club that they state the role for which they applied, and they then present their ID (e.g. copy of their passport plus a utility bill with their current address). They will also supply a valid email address for future reference.

Step 2 – Completing the E-Vetting Application Form.

The initial on-line E-Vetting Application Form is available to download from each of our Associations websites.

Once the applicant completes the on-line E-Vetting Application Form the information provided is forwarded to the NVB by the GAA, LGFA or Camogie vetting personnel, as relevant. The applicant, will then be forwarded by email the online NVB Vetting Form to complete.

For security and administrative purposes the details entered by the applicant will be emailed back to them. The applicant's Club Secretary will also receive an email inform them that a named person in the Club has applied as a member of the club to be vetted, and are being issued with the NVB Vetting Application Form.

Step 3 – NVB Vetting Application form

The NVB will issue the applicant with the NVB Vetting Application form. This will be issued to the email address provide by the applicant in Step 2.

Completing this form is a confidential matter between the applicant and the NVB. All sections of the form including current and previous addresses, email address and contact telephone numbers, information on convictions and prosecutions (if any), plus other information will be required when completing the form.

Once all sections of the form have been completed and forwarded on-line to the NVB this then completes the application process for E Vetting in the Gaelic Games Associations and within a short period of time the applicant shall be contacted by their applicant Association informing them as to the outcome of their vetting application. The applicant's Club Secretary will also be notified when the vetting process has been completed and if the application has been successful.

RECOGNITION OF VETTING BETWEEN EACH OF THE GAELIC GAMES ASSOCIATIONS

As a result of a long standing agreement between each of the Gaelic Games Associations, any person vetted by for example by the GAA shall have their vetting outcome recognised by the LGFA, Camogie, Rounders and Handball and do not have to undertake additional vetting by either of these Associations. A reciprocal arrangement exists between each of the Associations.

RE-VETTING

The Vetting Act provides for the re-vetting of all applicants. The Gaelic Games Associations' Vetting Policy stipulates that as part of our good practice procedures members shall be re-vetted at a minimum within a five year time period.

A vetting acceptance letter issued by the GAA shall cease to be valid five years after the date of issue.

ACCESS NI

Coordinated by Comhairle Uladh on behalf of the Gaelic Games Associations

In order to comply with legislation in the 6 Counties and the rules of our Associations, all persons working with children or young people in a voluntary or paid capacity, must be vetted prior to commencing their role. Those who are involved in the management of individuals appointed to work with children or young people in our Associations must also be vetted.

This vetting service is carried out by AccessNI for individuals in the Gaelic Games Associations in Antrim, Armagh, Derry, Down, Fermanagh and Tyrone where they return criminal history information in respect of each applicant. All applications and the AccesNI services are coordinated on our behalf by Ulster GAA who are registered with AccessNI for this purpose.

The AccessNI checks will clarify if an applicant has a criminal record; if their name is included on the Disclosure and Barring Scheme (DBS) list of individuals barred from engaging in regulated activity with children or if relevant the DBS list of individuals barred from engaging in regulated activity with adults and any other information held by the authorities that may be relevant to the position applied for. Any information received will be treated confidentially and recruitment decisions will be made with discretion and will only have the involvement of a specifically selected Comhairle Uladh case management. A copy of your disclosure certificate will be returned directly by AccessNI to you and also to Comhairle Uladh.

This enables Ulster GAA to make more informed recruitment decisions in relation to the suitability of the applicant for specified roles. Ulster GAA process applications for vetting checks free of charge, for our volunteers at a club's request.

Clubs as always are reminded that they should not permit anyone to work with children or young people in the Club until they have been suitably vetted and approved for their role.

THE ACCESSNI VETTING SERVICES ARE PROCESSED AS FOLLOWS:

8. Where required, Ulster GAA will meet with club officers to discuss any concern.
9. Applicants have the right to appeal any decision made by Ulster GAA in relation to their suitability for the position applied.
10. While applicants, in accordance with our Vetting Policy, may be re-vetted at any time they must formally undertake re-vetting within a five year period.

SUPERVISION

All clubs providing opportunities for our young people to participate in Gaelic games must ensure that adults placed or appointed by them in roles of responsibility are suitable to fulfil such roles. All such persons must at a minimum:

- **Have undertaken Vetting (Garda/Police) checks as directed by their Association within the jurisdiction in which they operate**
- **Attend relevant child safeguarding training**
- **Possess a coaching qualification relevant to their role as recognised by their Association**
- **Have signed the Joint Code of Behaviour**

SUPERVISION RATIOS

Young people must always be adequately supervised regardless of activity and it is the responsibility of Clubs to ensure that a satisfactory ratio of adults to young people is always maintained.

Supervision ratios will depend on the nature of the activity, the age of the players and any special needs of the group. It is recommended that a minimum ratio of 1:8 for under 12 years of age players and a ratio of 1:10 for players over 12 yrs. of age. When abiding by such ratios a coach must always be accompanied by at least one other suitably qualified adult at all times.

Such recommended ratios act as a guide to the minimum ratios of adults to children and may vary depending on the circumstances, e.g. players with special needs, very young players, and mixed gender groups or on away trips.

PEOPLE ALLOCATED A SUPERVISORY ROLE SHOULD:

- Avoid being alone with any player, if you need to talk separately do so in an open environment, in view of others.
- Not enter or be in team dressing rooms in which there are underage players or teams unless their presence is deemed necessary by the team coach(es) and they are accompanied by another adult (who has met the Association's recruitment criteria). This is to protect the privacy of underage players and the credibility of the adult and to avoid any situation whereby the unaccompanied presence of an adult could give cause for

concern.

- When organising a club trip always be mindful of ensuring that additional adults accompany the group in case of emergencies or unforeseen circumstances.
- When participating in an overnight stay a specific ratio of adults to children should be agreed in advance. This ratio, is dependent on the age category of the children/young people, whether it is a single or mixed gender group and whether the group may be participating in certain outdoor activities or in water sports etc.
- Always clearly state start/finish times of training and if possible of games (home or away) and other activities including trips away from home.
- Remain in pairs until players have been collected or have left in accordance with parental or guardian permission.
- Keep attendance records and record any injuries/incidents as they arise.
- Where a team consist of both boys and girls, and for the avoidance of doubt, the coaching team must also consist of both male and female personnel while male only teams must include at least one male coach and female only teams must include at least one female coach.

Each of our Gaelic Games Associations provide injury benefit funds or schemes in the case of members of the GAA, Handball, Rounders and Ladies Gaelic Football Associations while members of the Camogie Association are required to be covered by insurance.

CAMOGIE INSURANCE

PERSONAL INJURY COVER

The Camogie Association, unlike its GAA and LGFA counterparts, does not administer its own injury scheme. This means that injury cover/insurance must be purchased from insurance providers, operating independently in the private sector.

The obligations relating to injury cover within Camogie are detailed in the Official Guide Part 1 Camogie Constitution Rules. The rules around registration of members with the Camogie Association and insurance are key. The rules relating to the playing of the game outlined in Official Guide Part 2 Playing Rules are also relevant. These documents are downloadable from www.camogie.ie/insurance.asap

Obligations on clubs regarding insurance of players, match officials [referees, umpires and linespersons] and members involved in managing and coaching teams.

A: INSURANCE COVER

Rule 23.1 of the Official Part 1 states:

All persons who train with teams and all persons who coach teams are required to be registered members of the Camogie Association. Each club must ensure and be satisfied that its playing members, members who officiate at

games and members involved in training/managing/coaching teams are covered by insurance. Any member not insured may not play, officiate at games or manage/coach teams.

Persons and clubs are obliged to comply with this rule which also includes a check that people in the club are correctly registered on the Servasport registration system.

Clubs should also check the detail of the club/ or members' insurance cover to establish the extent of the cover for players, match officials, managers e.g. does the cover extend to all officially sanctioned Camogie games and training. Does the insurance cover the player if she plays on a temporary basis with another club as allowed under rule and as approved by the county board?

If the club has an insurance policy in place it should consider communicating the insurance cover details to relevant parties e.g. players, match officials and managers/coaches.

It is advisable that Units in charge of representative teams e.g. County or Provincial teams also verify the insurance cover of people representing them in a games' context.

B: INSURANCE COVER AND CHALLENGE/TOURNAMENT GAMES

Rule 23.3 of the Official Guide Part 1 states:

In order that all fixtures other than official fixtures are recognised for insurance purposes notification must be given on the following basis:

- To the County Board when both teams are within the County;
- To the relevant County Boards and Provincial Council when teams are from different Counties;
- To the relevant County Boards, Provincial Council and designated Camogie Association staff member when teams are from different Provinces or International. Notification to hold or participate in fixtures other than official fixtures must be sent by email by the relevant Secretaries prior to the date of the proposed fixture.

Approval to host inter-county underage blitzes will be provided by a designated Camogie Association staff member.

Permission must be requested by a date specified by the Ard Stiúrthóir each year.

Each Unit is obliged to comply with this rule.

Please be aware that failure to comply may have implications in how an insurance company considers a claim, in the event of a claim arising from a fixture that may not be deemed official.

Insurance claims must be processed via the relevant insurance company.

The Camogie Association does not handle any insurance claims.

Additional information on insurance requirements for Camogie players may be downloaded at www.camogie.ie/administration.asp

The appointment of a Children's Officers at both Club and County level is an essential element in the creation of a quality atmosphere and in establishing a child and youth centered ethos at both Club and County level.

The role of Children's Officer has continued to evolve as we observe greater diligence in our work with children, as we oversee the implementation of mandatory requirements for coaches and Clubs and as legislation and statutory guidance guides us in our roles.

The Children's Officer has now become a central and key figure in ensuring that our Clubs, County Boards and Provincial Councils, and not discounting our National committees adhere and implement our legal responsibilities when working with children.

The appointment of a Children's Officer at both Club and County level while deemed essential is also a mandatory requirement. These Officers fulfil a key role at Club and County level and are members of the relevant Club Executive and County Committees.

All of the Gaelic Games Associations are committed to creating and maintaining the safest possible environment for all young people who participate in our Gaelic Games and activities.

In our work with young people and with adults a number of national policy documents and requirements act as a resource and govern our commitments. The Children's Officer has a responsibility in ensuring that each of these policy requirements are made known to our membership, are adhered to and implemented.

- **Code of Behaviour (Underage)** – developed as a joint policy document by the Gaelic Athletic Association, the Camogie Association, the Ladies Football Association, the GAA Rounders and GAA Handball Ireland. The Code of Behaviour (Underage) is a major reference and policy publication covering many aspects of good practice procedures required in running the local Club and also outlines each Associations responsibilities and procedures for dealing with the welfare and safety of underage players when playing our games and participating in our activities. This Code outlines the minimum level of good practice behaviour and practice that we require of our underage players, their parents/guardians, our Clubs, our coaches and supporters
- **Safeguarding Training Workshops** – The Gaelic Games Associations have developed three levels of child safeguarding training for our members based on and reflective of similar training programmes initiated by Sport Ireland.
- **Safeguarding 1** The Child Protection in Sport Awareness workshop for coaches and others who work with children.
- **Safeguarding 2** is the workshop for Club Children's Officers.
- **Safeguarding 3** is the Designated Liaison Person workshop.

Whatever a person's role in our Associations they are, where applicable, required to attend the relevant training as provided. Training developed and delivered by the Gaelic Games Associations also reflects the statutory legislation and guidance for the jurisdiction in which it is delivered.

- **Child Safeguarding Statement and Risk Assessment** – Each year our Clubs, County Boards and National Child Safeguarding Committee shall be obliged to carry out a risk assessment procedure and thereafter put on display and agreed Child Safeguarding Statement. Much of this work shall be overseen or directed by the relevant Children's Officer in cooperation with the Club Executive or County Committee.

- **Recruitment criteria for coaches – The relevant Children’s Officer shall ensure that all coaches fulfil the following requirements:**
 - Have undertaken Vetting (Garda/Police) checks as directed by their Association within the jurisdiction in which they operate
 - Attend relevant child safeguarding training
 - Possess a coaching qualification relevant to their role as recognised by their Association
 - Have signed the Joint Code of Behaviour
- **Relationship with Designated Liaison Person** – The Children’s Officer should develop an understanding of roles and a good working relationship with their Club or County Designated Liaison Person. While both roles are part of the Association’s child safeguarding strategies they may be issue or area of work that could overlap at any time.

THE CLUB CHILDREN’S OFFICER

AWAY TRIPS, HOSTING AN EVENT AND TRANSPORT

AWAY TRIPS

Many teams and Clubs participate in trips away from home throughout the year. These trips are seen as additional to the regular games that take place as part of a County fixtures schedule or during inter Club blitzes. Trips away from home are often viewed as a means by which young teams and players may be rewarded for their endeavours at the end of their season or as a means by which greater team morale and camaraderie can be developed, regardless of age.

An example of rewarding a team or organising a trip is to invite the team or a number of teams to attend inter-county matches. This is a popular means by which young people may see and attend games where their chosen code is played at a high level of skill and competitiveness. Visiting other Clubs and playing matches against teams of a similar age group in other areas or counties will also give younger players an insight into the broad geographical nature and community ethos attached to our Games while creating greater camaraderie with their colleagues and within their own Clubs.

The pre-planning and detailed organising of such trips for younger players will require a high degree of care and preparation and adults should always remember the key roles of responsibilities they have during such trips on behalf of their Club, on behalf of parents and on behalf of the young people themselves.

PRE-TRIP PREPARATIONS

- A detailed programme of activity should be approved in advance at Club level following agreement with the other Club(s) involved in the away trip.
- Where possible a member of your organising group should be familiar with the away venue, should visit the venue in advance if deemed necessary and ensure themselves that the venue can cater for the planned programme of activities. This is particularly relevant should an overnight stay be required.
- Parental/guardian consent must be obtained in writing so as to permit any young person under 18 yrs. of age participate in any organised trip. Contact details for all parents/guardians must be obtained in advance of the trip.
- Young people (of an appropriate age) and their parents/guardians should sign a form agreeing to abide by the programme and to any agreed procedures that relate to the organised trip.
- An agreed Code of Behaviour, specifically designed for the trip, should be discussed, outlined and agreed with all players and adults that are participating on the trip.
- Medical information, deemed relevant by the parents/guardians of players, should be made known to the leaders of the Club's trip and what action, if any, may be required of them in the case of an emergency. (See Appendix 1)
- Such information, including food or other related allergies should have previously been recorded on the annual/registration form of each underage Club member. (See Appendix 1)
- A detailed programme which includes the following should be presented to all players and their parents/guardians:
 - A time schedule of departure and arrival at your destination.
 - Full information about the trip; including all activities and events planned.
 - Emergency contact numbers of Club personnel who are accompanying the group
 - During the trip and contact details for parents/guardians
- All adults accompanying the underage team should be made aware as to what their responsibilities are and what role(s) they may have during the trip.
- It is the Club's responsibility to ensure that the trip itself and all activities taking place throughout the trip adhere to insurance cover, that all participants are eligible members of their Association's relevant injury

scheme and that the activities of the trip do not compromise the conditions of their injury scheme or any additional insurance policy.

- Where it is deemed necessary the organisers of all such trips should seek and gain the permission of their County Board prior to announcing the details of the programme to their members.

DURING THE TRIP

- It is essential that at least one individual with first aid qualifications be part of your organising group and that this individual be present or available throughout the trip.
- Young people must be adequately supervised throughout the trip as per our recommended ratios of adults to young people. This ratio may differ depending on the age group of participants, the activities to be undertaken, whether there is an overnight stay, if the trip is abroad etc.
- Supervision ratios will depend on the nature of the activity, the age of the players and any special needs of the group. It is recommended that a minimum ratio of 1:8 for under 12 years of age players and a ratio of 1:10 for players over 12 yrs. of age. When abiding by such ratios a coach must always be accompanied by at least one other suitably qualified adult at all times.
- Organisers of Club trips should always be mindful of ensuring that additional adults accompany their group on trips away for supervision purposes and in case of emergencies or unforeseen circumstances. These adults are subject the same vetting and child safeguarding requirements as are coaches.
- There must be at least two adults of each gender with mixed groups.
- Adults are required to be familiar with the agreed rules on smoking and on the consumption of alcohol during the trip, as outlined in the GAA Code of Behaviour. As a basic minimum, adults are required to avoid smoking while working with young players and must not consume alcohol or non-prescribed drugs while young players are in their care.

OVERNIGHT STAYS

When participating in an overnight stay a number of matters require careful preplanning and agreement.

By agreement with all parties, including players and parents, a decision is required whether the Club will avail of hotel or guest house accommodation or if invited will avail of a hosting arrangement by the host Club in the houses of their Club members.

Regardless of what form of accommodation is agreed upon adequate and specific supervisory ratios of adults to children must be agreed in advance. This ratio, which is very dependent on the age category of the children/young people, may also vary should the group be participating in certain outdoor activities or in water sports and will also vary if the group is a mixed gender group.

HOTEL OR GUEST HOUSE ACCOMMODATION

- Check out the proposed accommodation for children/young people and Club mentors. Ensure that it complies with health and safety regulations, is accessible, is of a suitable standard and is appropriate for the particular age group and programme of events.
- When availing of overnight accommodation adults (except parents) should not share a room with a child. If exceptional or emergency circumstances so dictate and the presence of an adult is deemed necessary there should be more than one child in the room with the adult at all times.
- Where children are sharing a room it must be with others of the same age grouping and gender.
- All children should be provided with a bed each and should not have to share a bed with another child.
- It is also preferably that the sharing of rooms be done with fellow Club members at inter Club event and that such arrangements are made known in advance of the trip to the each child's parents.

HOME STAY ACCOMMODATION

- When availing of home stay accommodation the host Club is responsible for choosing a host family that has been recommended to them and have been satisfactorily vetted in accordance with Association requirements.
- When availing of home stay accommodation adults (except parents) should not share a room with a child. If exceptional or emergency circumstances so dictate and the presence of an adult is deemed necessary there should be more than one child in the room with the adult at all times.
- When availing of home stay accommodation Children must not share a room with adults from the host family.

- All children should be provided with a bed each and should not have to share a bed with another child.
- Where children are sharing a room it must be with others of the same age grouping and gender. It is also preferably that the sharing of rooms be done with fellow Club members at an inter Club event and that such arrangements are made known in advance of the trip to the child's parents.

REVIEW OF TRIP

A full review of the trip should involve all who participated from the Club and the result of the review should be retained and reviewed if and when the group intend organising another or similar trip or if the Club intends re-visiting the area or the host Club again.

HOSTING AN EVENT

The hosting of a scheduled game, a challenge match, an underage blitz or an inter Club tournament is now seen as a normal event for most Clubs in Hurling, Football, Camogie, Ladies Football, Rounders and Handball.

While such events are generally organised by age category and by code, so as to provide inter Club games and offer skill development opportunities, these events by their very nature can also provide young people of all ages with a positive social experience allowing them gain independence within a safe environment.

The safeguarding criteria and guidance that applies to away trips, recruitment, travel, health and safety also apply to the hosting of an event with the additional responsibility that when hosting you are organising the games or the event for more than your own Club or team.

A number of ground rules apply to hosting an event.

- 1 Don't be pressurised into offering to host an event if you cannot do it or if you do not have adequate resource of facilities to cater for the proposed event.
- 2 Be absolutely clear that you have the full support of your own Club when embarking on hosting an event
- 3 Clarify with those that requested of you host the event (e.g. Juvenile Board, Féile Committee ...) what is required of your Club
- 4 Form an organising team, with a nominated person in charge, to oversee the hosting
- 5 Allocate specific responsibilities to each member of the organising team
- 6 Agree a timescale and a plan for the delivery of all of your actions (see draft action plan)
- 7 Agree your plan or outline your plan with the governing body who requested your Club to host the event (e.g. Juvenile Board, Féile Committee ...)
- 8 Meet regularly to review all work in progress
- 9 If you are providing a home stay option for your guest Clubs you must abide by the guidance given under the Home Stay Accommodation
- 10 Never presume that somebody else had done it!

TRANSPORT

Adequate preparation and an insistence on the use of safe transport arrangements regardless of the length of journey are key elements of good practice when considering any trip taken by an underage team or players. This applies regardless of the length of journey or indeed the mode of transport availed of, whether it is public, private or personal transport.

The transport arrangements for underage players is a priority safety matter for sports organisations, for Clubs, parents and for young people themselves. While it may be preferential to avail of private bus or coach transport it is also recognised that in some instances this is not feasible and certain Clubs and teams could not operate without the goodwill of volunteers and parents who ensure that children are transported to an event or a match and are returned safely.

In so far as we rely on many parents to provide transport in our Clubs the challenge we face in ensuring that all such services are provided in a safe environment that compiles with our own standards of good practice and with local or national legislative requirements.

It is recognised that private cars are used by many Clubs and teams as a common practice when transporting children to games as part of a County fixtures schedules or as part of inter Club blitzes. It is however advisable if possible not to use members' cars when travelling on away trips of great distance. In such circumstances Clubs are advised to avail of bus or coach transport and it is essential therefore that all aspects of the transport arrangements are checked out and agreed in advance. The safety and welfare of children is paramount and must be considered a priority at all times when transporting our underage players from one venue to another.

A NUMBER OF BASIC REQUIREMENTS APPLY WHEN TRAVELLING TO GAMES AS FOLLOWS:

- That every parent has supplied at least two emergency contact numbers to the team coaches that may be used in the event of an emergency concerning their child or the group or in the event of a change in schedule
- That all players have completed a travel consent form
- That any medical conditions of players are made known to team coaches in advance of any trip and as part of the annual registration process
- That parents are supplied with the contact telephone number of the team coach in charge on the day and of any other accompanying coaches
- That any particular rules or regulations relating to a trip are made known to parents and children alike and agreed in advance of departure
- That the Club is satisfied that the proposed trip has been planned and agreed in accordance with child welfare procedures where the safety of the child is paramount in all preplanning of the trip

BUS AND COACH TRANSPORT:

The following should be considered when availing of bus and coach transport:

- The company chosen must be a reputable transport company with a proven track record in transporting children
- The driver must be vetted in advance of the trip by the bus company or your Club
- All vehicles should be well-maintained and roadworthy and should be properly taxed and insured
- Transport should be fully accessible for people with disabilities whether they are members of the group or for others who may accompany them
- Seat belts must be worn at all times on buses and coaches
- Alternative transport should be available in case of emergency
- Vehicles should be equipped with a First Aid kit and a fire extinguisher and leaders of the group should be familiar with how to use them
- When hiring a vehicle Club personnel should have no hesitation in enquiring as to the company's reputation and reliability
- Adult coaches should ensure that children remain safely seated at all times during the journey
- An adequate ratio of adults to children on the bus must be ensured at all times taking the age of the group members into consideration and the need for male/female ratios with mixed gender groups

PRIVATE TRANSPORT IN CARS

If an adult has to transport a child/children there are a number of safety measures that should be agreed so as to minimise any potential child welfare or safety risks to their children and or adults:

- If a child is being transported by car the parents of the child should be informed as to who will be transporting their child, why this mode of transport has been chosen, how long the journey may take, the departure time and the estimated time of return
- It is important that children are comfortable with whoever may be the driver of the car in which they travel and are made aware as to what are the transport arrangements made for them by their Club
- Drivers must ensure that they have adequate insurance to carry the required number of passengers
- If the driver is in a paid position in the Club or in the Association or is in receipt of expenses for the trip they may be required to have additional insurance cover to enable them transport any passengers
- Central collection and drop off points are recommended when transporting children
- The driver (and other team personnel) should be contactable by mobile phone in case of emergencies
- With the exception of their own child an adult should not transport a child alone, except in emergency or exceptional circumstances
- In accordance with transport legislation where applicable children must use appropriate child restraints and seat belts when travelling in a car or other vehicles
- No driver should ever consume alcohol or non-prescribed drugs prior to driving
- No driver should smoke in the car when transporting children on behalf of the Club or Association
- Where a driver may be under medical care or taking prescribed medication he/she must ensure that such medication may not inhibit their driving abilities
- All drivers and persons who have access to children on our behalf should have undertaken a vetting background check in accordance with the Association's guidelines and should have been informed that their vetting application has been accepted

PUBLIC TRANSPORT

When using public transport please ensure that

- That the full travel schedule is made known in advance to all parents and players
- That drop off and pick arrangements have been agreed in advance
- That where available, seat booking arrangements are agreed in advance e.g. trains
- That an adequate number of adults accompany the group in a supervisory role
- That a contingency plan is in place in case a scheduled public transport arrangement or booking is cancelled, is late, or has been missed by the group

This section of the Code of Behaviour (Underage) seeks to ensure that while we respect the rights of all members to use social media it is important to be mindful of the benefits and at times its negative impact can have on our members and particularly children and young people.

We should additionally be conscious that any inappropriate or contentious public postings or language used by members associated with any of the Gaelic Games Associations, regardless of what form of social media has been used, may lead to a negative perception by some of our Associations.

Members of our Associations shall be held responsible for their use of social media and where such usage may at any time impact negatively on the general welfare of a child in our Association or on the ethos of our Associations disciplinary action may follow.

We therefore propose general guidance in the use of social media particularly for those who are working with children in our Clubs and Counties. We also seek the cooperation of parents, whose children may have access to such social media apps, and seek to ensure that sensible use of social media, as it may impact on children, can be agreed with parents.

Messaging apps have developed rapidly in recent years from devices that were originally utilised for making calls and texting to current usage of mobiles for messaging, sharing pictures, videos, web links, e-documents and other such message sharing apps. While technology was advancing so also should have our vigilance, particularly in respect of the involvement of young people. With such regular access to new and easy to use technology certain ground rules relating to communication and the taking of photographs or recording of images may unfortunately be overlooked.

The Code of Behaviour (Underage) seeks to give guidance, not in a manner that may prohibit the use of such modern communication and recording technologies, but to urge caution and to have certain safeguards in place so as to prevent instances of harm or unacceptable behaviour. We seek in this Code to ensure as far as is practicable to avoid the misuse of social media apps. So as not to impact negatively on any child and on those who work with them.

COMMUNICATIONS IN RELATION TO UNDERAGE TEAM ACTIVITIES

All coaches should make it known that our Associations' preferred option of communicating team information for underage teams is via the parental/guardian mobile phone of each players and not via the mobile phone of the child. If requested by a parent to send messages regarding games or training via the mobile phone of the child the coach/club should enquire as to the rationale of such requests and if in agreement must receive any such request in writing. Upon any agreement any messages sent to the child can only be as part of the team group text that will also go to their parents and to all other members of that group text. Coaches are not permitted to communicate individually via social media with underage players.

Our Associations do not approve of Clubs or coaches engaging in or facilitating messaging apps in which players and coaches participate nor do we approve of the creation of Club messaging forums for underage players. Many such social media platforms have been shown to be most insecure, lack controls and are poorly managed and monitored in some instances. Such insecure usage should give cause for concern and by their nature may be susceptible to accessing or misuse by unscrupulous individuals quite often outside of our control. Experience has also shown that uncontrolled messaging apps, unfortunately have a greater chance of being used as a forum of exchanging inappropriate messages and images between children.

Any form of individual social media communication by a coach with an underage player shall be deemed a serious breach of the Code of Behaviour (Underage).

GUIDELINES FOR PHOTOGRAPHIC/RECORDED IMAGES

It should be noted that having photographic and filming guidelines is not about preventing parents and guardians from taking pictures, but rather to ensure that only those who have a right to take photographs do so and that all images are captured in a sensible and non-intrusive way.

These safeguards should still permit and facilitate the recording of relevant and suitable materials, should allow us to photograph the enjoyment gained by participating in our games, should enable coaches to use the latest technology in the delivery of training skills and should also enable Clubs to promote their activities in a safe and non-threatening manner.

A common sense approach is required when deciding on what may or may not be appropriate as we do not wish to prohibit the recording of games, coaching or celebrations at club level through the use of photography or by recording on video equipment

The key issues that we should address regarding the use of images and photographs of children/young people are:

- Ensuring agreement and permission of parents/ guardians in the taking and any use of images/ photographs
- Seeking such agreement as part of the annual membership affiliation process or by use of parental consent forms
- Avoiding the individual identification of children in group or team photographs unless by agreement e.g. for special events, an award or achievements ceremony
- Ensuring prior accreditation is given to 'professional photographers' who may attend your games or events
- Ensuring that images/photographs chosen are suitable and in good taste with the images chosen or recorded focussing on activity rather than a particular child
- Clubs, coaches and volunteers permitting the use of video equipment as a legitimate coaching aid and as a means of recording special occasions; however, care should be taken in the dissemination, storage and use of such material
- Parents and spectators taking photographs/recordings should where possible seek permission in advance from the Club/County Board and should also be prepared to identify themselves if requested and state the purpose for their photography/filming. If Club/County Board personnel are unhappy about any matter relating to such photography the permission granted may be withdrawn immediately

It should be noted that we have little or no influence on what photographs may be taken and published in local or national newspapers as such photography is covered by a different set of guidelines. Should we ever be unhappy with the publication of such photographs or images we can address this matter with the individual newspaper or the Press Council of Ireland and the Office of the Press Ombudsman.

SOCIAL MEDIA SITES

The world of social and digital media is an enjoyable and engaging place and is in itself a useful asset in promoting our Clubs and activities within the membership and to a wider audience. We must be aware that while these communication tools can be used to our advantage vigilance is also required to ensure that our use of such communication methods shall at all time be appropriate.

- Each individual is responsible for any posting, comments or their conduct while engaging with such sites
- Any social media site approved or promoted by a Club/County must be subject to terms and conditions regarding its usage and must also be under the direct monitoring of a nominate person
- Agree a club policy on reporting of games, club news and use of images or photography
- Club sites may be used to promote training times, fixtures and events
- Content published on Club web sites or social network pages should at all times be factual and follow the parameters of good behaviour
- Clubs should ensure all members are aware of acceptable usage policies regarding communication between coaches or other adults and underage players
- Social media sites should not be used as a forum for exchanging views between other clubs or irate members. Such usage should be terminated by the site controller.

MOBILE PHONES

Except in exceptional circumstances, or in the case of very young children, most underage players attending our training or games generally have a mobile phone or access to a phone.

While the ownership and general use of the mobile is primarily a matter between the child and their parents the use or accessing of the mobiles at our events or in our clubhouses or dressing rooms is a matter for us to monitor and or pursue and if need be to agree with parents.

While we never wish to curtail the rights of a child we can in relation to the use of a mobile limit the use of mobiles on our premises and if doing so we should inform the parents in advance. Guidance in relation to mobile phone usage includes:

- Do not permit the use of any phones in dressing rooms or shower area
- Avoid any instances of individual communication via mobile phone with any of the underage players
- If in agreement with other coaches seek parental permission for all phones of underage players to be 'bagged' prior to a game and returned to the players after each game
- Be vigilant as to the use, or excessive use, of a mobile phone by any underage player while they are under your care
- Advise children if they receive an offensive photo, email or messages, not to reply, but to save the offensive materials, note the time and date of receipt and that they should inform their parents. Should any such incident regarding the use of mobile phones occur during their attendance at the Club the team coach should note this and report the matter to the Club Children's Officer.

WEB SITE CONTENTS POLICY

- The Club/County Board Website and its operator must make all reasonable attempts to insure that web pages are in keeping with the ethos of our Associations and do not contain unacceptable content or any links to questionable material. Links to external websites are meant for convenience purposes only.
- No endorsement of any third party products or services should be expressed or implied by any information, material or content referred to or included on, or linked from the Club website.
- Agree a Club/County Board web site content policy, following discussions at your Club Management or Executive Committee and with members, including the underage members of the Club. This content policy will promote your strategy on the safe use of the Internet and also outlines the parameters of behaviour and specifies the consequences of breaching those parameters.
- Content published on web site or social network page should at all times be factual and follow the parameters of good behaviour.
- All decisions on the appropriate use of photographic images and other similar content should be in accordance with the Guidelines for Photographic/Recorded Images.
- Avoiding the individual identification of children in group or team photographs or images unless by agreement e.g. for special events, an award or achievements ceremony.
- Advocacy of or opposition to any politically or socially controversial subjects, issues, or candidates is prohibited on Club/county websites.
- Disparagement or promotion of any person or class of persons is prohibited.
- Content that may be considered not to be in keeping with the ethos and dignity of Associations is prohibited.

The GAA will shortly publish new Social Media Guidelines available on www.gaa.ie

DEALING WITH ALLEGATIONS OR CONCERNS OF ABUSE

The GAA, Ladies Gaelic Football Association, the Camogie Association, GAA Handball Ireland and the GAA Rounders all actively work in the promotion of our Games amongst young people and must be alert to the possibility that children with whom we are working may be suffering from abuse or neglect.

We all have a legal duty of care to children and young people. This means that we have an obligation to provide them with the highest possible standard of care and safety as we promote their well-being and safeguard them from abuse and in doing so we have a responsibility to report allegations or concerns of abuse that may be known to us to the relevant statutory authorities.

As organisations that provide a service to children we will assist our members and employees in whatever way possible should they wish to report suspected matters of abuse to the statutory authorities whether it has been reported in or outside of our Associations at our activities or elsewhere.

This section of the Code, Dealing with Allegations or Concerns of Abuse, gives a broad outline as to our roles and responsibilities in relation to reporting abuse, what is the role of the Associations Mandated Person and of the DLP, while Appendix 4 of this Code outlines definitions and types of abuse.

More detailed instruction and directives in relation to reporting are contained in the joint policy booklet '**Guidance for Dealing with and Reporting Allegations and Concerns of Abuse**'. The primary purpose of the Guidance is to ensure that reporting procedures are known to our members and staff, that guidance and assistance is available for those who wish to report concerns of abuse and neglect and that our Associations adhere in full to our legal obligations in respect of reporting abuse or neglect to the statutory authorities.

**The safety and well-being of the child must take priority over concerns about adults against whom an allegation may be made.
The welfare of the child shall always be paramount**

REASONABLE GROUNDS FOR CONCERN

The term 'Reasonable Grounds for Concern' is used whereby if an individual has such grounds for concern that a child may have been, is being, or is at risk of being abused or neglected they should inform the relevant statutory authorities. Similarly, if an individual had such concerns about an adult they should report such matters to the relevant statutory authority.

It is not necessary for an individual to prove that abuse has occurred when they who to report such matters. It is the role of the statutory authority to carry out their enquires and assess each case on its own merits. The Associations Mandated Person or the Club Designated Liaison Person may assist an individual in making a report or passing on a concern or if they so wish.

Reasonable grounds for a child protection or welfare concern include:

- Evidence, for example an injury or behaviour, that is consistent with abuse and is unlikely to have been caused in any other way
- Any concern about possible sexual abuse
- Consistent signs that a child is suffering from emotional or physical neglect
- A child saying or indicating by other means that he or she has been abused
- Admission or indication by an adult or a child of an alleged abuse they committed
- An account from a person who saw the child being abused

CONFIDENTIALITY

It is important that all parties dealing with concerns of allegations of abuse have a clear understanding as to what constitutes Confidentiality and what is permissible in the exchange of information.

- All information regarding concern or assessment of child abuse or neglect should be shared on 'a need to know' basis in the interests of the child
- No undertakings regarding secrecy can be given. Those working with a child and family should make this clear to all parties involved, although they can be assured that all information will be handled in a confidential manner taking full account of legal requirements.
- The provision of information to the statutory agencies for the protection of a child is not a breach of confidentiality or data protection.
- It must be clearly understood that information gathered for one purpose must not be used for another without consulting the person who provided that information.
- All persons involved in a child protection and welfare process (the child, his/her parents/guardians, the alleged offender, his/her family, coaches) should be afforded appropriate, fairness, support and confidentiality at all stages of the procedure
- Information should be stored in a secure place, with limited access internally only by the relevant Designated Persons or Association Mandated Person
- Breaches of confidentiality shall be deemed a serious matter and dealt with accordingly within the GAA, Ladies Gaelic Football Association, the Camogie Association, GAA Handball Ireland and GAA Rounders

Underage sports activity has a positive impact on the lives of thousands of young people many days of the week and every week of the year. The range of activities offered by the GAA, Camogie and Ladies Football Clubs and by our Handball and Rounders colleagues, to young people in particular, caters for more than their sporting needs.

The social and friendship surroundings of our Associations for children in particular, the opportunity to meet and to make new friends, the community ethos of our Associations and the general developmental opportunities that these surroundings present for young people, all contribute to their general wellbeing during some of the most developmental phases of their lives.

While sports organisations are recognised for the overall developmental opportunities they give to young people we are not immune to instances of poor or unacceptable behaviour that would be deemed as unacceptable and may in fact be deemed by us as breaches of our Code of Behaviour. A notable example of unacceptable behaviour that occurs in many walks of life is that of Bullying. Unfortunately, Bullying may occur in schools settings, in communities, in the work place, via social media interaction or within our sports associations where a small cohort of people may choose or even direct others to engage in Bullying behaviour.

HOW DO WE DEFINE BULLYING?

Bullying behaviour can be defined as unwanted negative behaviour be it verbal, psychological or physical, conducted by an individual or group against others and which is repeated over time. This includes cyber bullying and identity based bullying such as homophobic bullying and racist bullying.

Our duty and our challenge as Club leaders, coaches or parents is to challenge, counteract and eliminate such unacceptable behaviour through awareness, education and proactive measures that are based on inclusivity and respect for all in our Clubs.

Our aim should be to:

- Understand Bullying and its possible impact within the context of our local Club
- Identify a range of approaches in relation to preventing Bullying
- Equip ourselves to deal with incidents of Bullying.
- Introduce and implement an Anti-Bullying Policy to our Clubs
- Implement 'a whole club approach' to any instances of Bullying

SIGNS OF BULLING MAY BE NUMEROUS AND COULD INCLUDE:

- Fear of going to training , games or to school
- Poor or deteriorating schoolwork, inability to concentrate
- Withdrawn behaviour
- Depression
- Loss of confidence
- Reluctance to go out
- Shortage of money
- Torn clothes, broken glasses, missing schoolbooks
- Repeated signs of bruising and injuries

ANTI-BULLYING STATEMENT/POLICY

Each Club should adopt an Anti-Bullying Statement that could include the following:

“We aim to create a supportive environment where any form of Bullying is unacceptable.

We adopt ‘a whole organisational approach’ to addressing Bullying and are committed to implementing structures and relevant training to deal with allegations of Bullying. Incidents of Bullying are regarded as serious breaches of our Code of Behaviour (Underage). We are committed to achieving an ethos of respect so as to maximise the potential of all our members when playing or participating in our Gaelic Games”.

GAA ANTI-BULLYING POLICY STATEMENT

The GAA aims to create a supportive environment where any form of bullying is unacceptable. We adopt a whole organisational approach to addressing bullying and are committed to implementing structures and relevant training to deal with allegations of bullying. Incidents of bullying are regarded as serious breaches of our Code of Behaviour (Underage). We are committed to achieving an ethos of respect so as to maximise the potential of all our members when playing or participating in our Gaelic Games.

DEFINITION

Bullying is defined as repeated aggression, be it verbal, psychological or physical, conducted by an individual or group against others.

THE GAA SEEKS TO ENSURE THAT:

- Incidents of bullying behaviour are addressed appropriately
- All persons in membership of the Association or attending our games or activities are aware that bullying behaviour is unacceptable in the GAA.

DEALING WITH BULLYING

The Code of Behaviour when working with underage players provides good practice guidance in relation to the prevention of bullying.

If you are aware of or have a concern that bullying behaviour is happening within your Club you should report the matter to your Club Children’s Officer.

We recognise that incidents of bullying are a breach of the Code of Behaviour and of our Give Respect - Get Respect initiative and all such incidents will be dealt with accordingly.

IT IS WIDELY ACCEPTED THAT BULLYING CONTAINS SEVEN KEY FEATURES:

- An intention to be hurtful
- This intention is carried out
- The behaviour harms the target
- The bully overwhelms the target with his/her power
- There is often no justification for the action
- The behaviour repeats itself again and again
- The bully derives a sense of satisfaction from hurting the target

Bullying can happen from any one person to another and from a young person to an adult or from an adult to a young person, from adults to adults and from a young person to a young person.

CYBERBULLYING can take place when instant messages, emails, text messages, webpages and other communication apps. are used to spread rumours, make threats or harass. It can include written messages, photographs, videos or voice messages.

If you are a victim of Cyberbullying or believe you may be targeted by a Cyberbully you should:

- Sign off on your computer.
- Don't respond or retaliate.
- Block the Bully.
- Save and print out Bullying messages.
- Talk to a friend.
- Tell a trusted adult.
- Report the Bullying to the Gardaí/Police

HOW TO PREVENT BULLYING IN YOUR CLUB:

- Implement the joint **Code of Behaviour (Underage)** which highlights good practice and clarifies that instances of Bullying are deemed to be a breach of the Code
- Create a supportive environment for all where it is not acceptable to Bully and highlight that the Club has a 'zero tolerance for Bullying
- The ethos of the club should be that it is 'ok to tell' the Club Children's Officer or team coach of incidents of Bullying. Underage players should be made aware of the telling policy that 'its ok to tell' and they should be supported if they report any incidents of Bullying.
- Publicise the Club Anti-Bullying Statement and display Anti-Bullying Posters - available from the GAA
- Ant Bullying is a 'whole club responsibility' and is part of the Give Respect Get Respect initiative. It's everybody's responsibility

WHAT DOES A WHOLE CLUB APPROACH INVOLVE?

- A recognition that Bullying can be tackled by all in the Club – Players, Coaches, Parents, Referees....
- Promoting policies and procedures which aim to prevent Bullying in the first instance and intervene when appropriate
- A shift from a problem based focus to a solution based focus
- Creating a supportive environment where its 'ok to tell'
- An awareness and implementation of good practice in this area

PROCEDURES FOR DEALING WITH BULLYING INVOLVING YOUNG PEOPLE/ADULTS

Incident should be dealt with as a breach of the Code of Behaviour as follows:

- Report the matter to the Club's Children's Officer
- Confidentiality must be maintained
- Initial assessment by the Club Children's Officer
- Children's Officer collates relevant information
- Club Children's Officer uses the acid test to determine whether this is an incident of Bullying
- Club Children's Officer informs the alleged bully and target as to what procedures will follow

Bullying is considered a breach of the Code of Behaviour (Underage) and is dealt with as per the relevant Section 4 of the Code (**Dealing with Alleged Breaches of the Code of Behaviour**).

DEFINITIONS OF CHILD ABUSE

TYPES OF CHILD ABUSE AND HOW THEY MAY BE RECOGNISED

This section is based on the Children First National Guidance for the Protection and Welfare of Children, published by the Department of Children and Youth Affairs in December 2017. The Guidance booklet directs us in much of our work with children and young people and these practices and principles, while referencing guidance and statutory authorities in Ireland are equally transferable and applicable to all units of our Associations, regardless of jurisdiction.

In this section' and throughout the Code of Behaviour (Underage) 'a child' or 'young person' or 'underage' means a person under the age of 18 years of age, who is not or has not been married

Child abuse can be categorised into four different types: neglect, emotional abuse, physical abuse and sexual abuse. A child may be subjected to one or more forms of abuse at any given time. Abuse and neglect can occur within the family, in the community or in an institutional setting. The abuser may be someone known to the child or a stranger, and can be an adult or another child. In a situation where abuse is alleged to have been carried out by another child, you should consider it a child welfare and protection issue for both children and you should follow child protection procedures for both the victim and the alleged abuser.

The important factor in deciding whether the behaviour is abuse or neglect is the impact of that behaviour on the child rather than the intention of the parent/carer.

The definitions of neglect and abuse presented in this section are not legal definitions. They are intended to describe ways in which a child might experience abuse and how this abuse may be recognised.

NEGLECT

Child neglect is the most frequently reported category of abuse, both in Ireland and internationally. Ongoing chronic neglect is recognised as being extremely harmful to the development and well-being of the child and may have serious long-term negative consequences.

Neglect occurs when a child does not receive adequate care or supervision to the extent that the child is harmed physically or developmentally. It is generally defined in terms of an omission of care, where a child's health, development or welfare is impaired by being deprived of food, clothing, warmth, hygiene, medical care, intellectual stimulation or supervision and safety. Emotional neglect may also lead to the child having attachment difficulties. The extent of the damage to the child's health, development or welfare is influenced by a range of factors. These factors include the extent, if any, of positive influence in the child's life as well as the age of the child and the frequency and consistency of neglect.

Neglect is associated with poverty but not necessarily caused by it. It is strongly linked to parental substance misuse, domestic violence, and parental mental illness and disability.

A reasonable concern for the child's welfare would exist when neglect becomes typical of the relationship between the child and the parent or carer. This may become apparent where you see the child over a period of time, or the effects of neglect may be obvious based on having seen the child once.

The following are features of child neglect:

- Children being left alone without adequate care and supervision
- Malnourishment, lacking food, unsuitable food or erratic feeding

- Non-organic failure to thrive, i.e. a child not gaining weight due not only to malnutrition but also emotional deprivation
- Failure to provide adequate care for the child's medical and developmental needs, including intellectual stimulation
- Inadequate living conditions – unhygienic conditions, environmental issues, including lack of adequate heating and furniture
- Lack of adequate clothing
- Inattention to basic hygiene
- Lack of protection and exposure to danger, including moral danger, or lack of supervision appropriate to the child's age
- Persistent failure to attend school
- Abandonment or desertion

EMOTIONAL ABUSE

Emotional abuse is the systematic emotional or psychological ill-treatment of a child as part of the overall relationship between a caregiver and a child. Once-off and occasional difficulties between a parent/carer and child are not considered emotional abuse. Abuse occurs when a child's basic need for attention, affection, approval, consistency and security are not met, due to incapacity or indifference from their parent or caregiver. Emotional abuse can also occur when adults responsible for taking care of children are unaware of and unable (for a range of reasons) to meet their children's emotional and developmental needs. Emotional abuse is not easy to recognise because the effects are not easily seen.

A reasonable concern for the child's welfare would exist when the behaviour becomes typical of the relationship between the child and the parent or carer.

Emotional abuse may be seen in some of the following ways:

- Rejection
- Lack of comfort and love
- Lack of attachment
- Lack of proper stimulation (e.g. fun and play)
- Lack of continuity of care (e.g. frequent moves, particularly unplanned)
- Continuous lack of praise and encouragement
- Persistent criticism, sarcasm, hostility or blaming of the child
- Bullying
- Conditional parenting in which care or affection of a child depends on his or her behaviours or actions
- Extreme overprotectiveness
- Inappropriate non-physical punishment (e.g. locking child in bedroom)
- Ongoing family conflicts and family violence
- Seriously inappropriate expectations of a child relative to his/her age and stage of development

There may be no physical signs of emotional abuse unless it occurs with another type of abuse. A child may show signs of emotional abuse through their actions or emotions in several ways. These include insecure attachment, unhappiness, low self-esteem, educational and developmental underachievement, risk taking and aggressive behaviour.

It should be noted that no one indicator is conclusive evidence of emotional abuse. Emotional abuse is more likely to impact negatively on a child where it is persistent over time and where there is a lack of other protective factors.

PHYSICAL ABUSE

Physical abuse is when someone deliberately hurts a child physically or puts them at risk of being physically hurt. It may occur as a single incident or as a pattern of incidents. A reasonable concern exists where the child's health and/or development is, may be, or has been damaged as a result of suspected physical abuse.

Physical abuse can include the following:

- Physical punishment
- Beating, slapping, hitting or kicking

- Pushing, shaking or throwing
- Pinching, biting, choking or hair-pulling
- Use of excessive force in handling
- Deliberate poisoning
- Suffocation
- Fabricated/induced illness
- Female genital mutilation

The Children First Act 2015 includes a provision that abolishes the common law defence of reasonable chastisement in court proceedings. This defence could previously be invoked by a parent or other person in authority who physically disciplined a child. The change in the legislation now means that in prosecutions relating to assault or physical cruelty, a person who administers such punishment to a child cannot rely on the defence of reasonable chastisement in the legal proceedings. The result of this is that the protections in law relating to assault now apply to a child in the same way as they do to an adult.

SEXUAL ABUSE

Sexual abuse occurs when a child is used by another person for his or her gratification or arousal, or for that of others. It includes the child being involved in sexual acts (masturbation, fondling, oral or penetrative sex) or exposing the child to sexual activity directly or through pornography.

Child sexual abuse may cover a wide spectrum of abusive activities. It rarely involves just a single incident and in some instances occurs over a number of years. Child sexual abuse most commonly happens within the family, including older siblings and extended family members.

Cases of sexual abuse mainly come to light through disclosure by the child or his or her siblings/friends, from the suspicions of an adult, and/or by physical symptoms.

It should be remembered that sexual activity involving a young person may be sexual abuse even if the young person concerned does not themselves recognise it as abusive

Examples of child sexual abuse include the following:

Any sexual act intentionally performed in the presence of a child

- An invitation to sexual touching or intentional touching or molesting of a child's body whether by a person or object for the purpose of sexual arousal or gratification
- Masturbation in the presence of a child or the involvement of a child in an act of masturbation
- Sexual intercourse with a child, whether oral, vaginal or anal
- Sexual exploitation of a child, which includes:
 - » Inviting, inducing or coercing a child to engage in prostitution or the production of child pornography [for example, exhibition, modelling or posing for the purpose of sexual arousal, gratification or sexual act, including its recording (on film, videotape or other media) or the manipulation, for those purposes, of an image by computer or other means]
 - » Inviting, coercing or inducing a child to participate in, or to observe, any sexual, indecent or obscene act
 - » Showing sexually explicit material to children, which is often a feature of the 'grooming' process by perpetrators of abuse
- Exposing a child to inappropriate or abusive material through information and communication technology
- Consensual sexual activity involving an adult and an underage person

An Garda Síochána will deal with any criminal aspects of a sexual abuse case under the relevant criminal justice legislation. The prosecution of a sexual offence against a child will be considered within the wider objective of child

welfare and protection. The safety of the child is paramount and at no stage should a child's safety be compromised because of concern for the integrity of a criminal investigation.

In relation to child sexual abuse, it should be noted that in criminal law the age of consent to sexual intercourse is 17 years for both boys and girls. Any sexual relationship where one or both parties are under the age of 17 is illegal. However, it may not necessarily be regarded as child sexual abuse. Details on exemptions for mandated reporting of certain cases of underage consensual sexual activity can be found in Chapter 3 of this Guidance.

BULLYING

It is recognised that bullying affects the lives of an increasing number of children and can be the cause of genuine concerns about a child's welfare.

Bullying can be defined as repeated aggression – whether it is verbal, psychological or physical – that is conducted by an individual or group against others. It is behaviour that is intentionally aggravating and intimidating, and occurs mainly among children in social environments such as schools. It includes behaviours such as physical aggression, cyberbullying, damage to property, intimidation, isolation/exclusion, name calling, malicious gossip and extortion. Bullying can also take the form of abuse based on gender identity, sexual preference, race, ethnicity and religious factors. With developments in modern technology, children can also be the victims of non-contact bullying, via mobile phones, the internet and other personal devices.

While bullying can happen to any child, some may be more vulnerable. These include: children with disabilities or special educational needs; those from ethnic minority and migrant groups; from the Traveller community; lesbian, gay, bisexual or transgender (LGBT) children and those perceived to be LGBT; and children of minority religious faiths.

There can be an increased vulnerability to bullying among children with special educational needs. This is particularly so among those who do not understand social cues and/or have difficulty communicating. Some children with complex needs may lack understanding of social situations and therefore trust everyone implicitly. Such children may be more vulnerable because they do not have the same social skills or capacity as others to recognise and defend themselves against bullying behaviour.

Please note that Section 9 of this Code of Behaviour titled Dealing with Bullying in your Club includes an Anti-Bullying statement and examines how to be proactive about the threat of bullying or how to address such matters should they arise.

HEALTH AND SOCIAL CARE TRUSTS

There are 5 Health and Social Care (HSC) Trusts in Northern Ireland that provide integrated health and social care services. They are Belfast HSC Trust, South Eastern HSC Trust, Western HSC Trust, Southern HSC Trust and Northern HSC Trust.

Amongst their responsibilities HSC Trusts manage and administer hospitals, health centres, residential homes, day centres and other health and social care facilities and they provide a wide range of health and social care services to the community.

Each **Health and Social Care Trust** provides a Gateway Service. This is the social work service for children and families and is the first point of contact for people who are concerned about a child or young person. It provides an immediate response to safeguard children in need of protection.

Gateway social workers visit children, young people and their families in their own homes to assess their needs. Social workers liaise with other professionals involved with the family to ensure their views are included in the assessment.

If you contact the Gateway Services team by phone, the Duty Worker will firstly seek some general information about you, the child or family and the nature of your concern. On the basis of this information they will be able to judge whether or not the enquiry should be progressed to referral.

APPENDIX 9

GLOSSARY OF TERMS

Abuse

Includes physical abuse, emotional abuse, neglect, sexual abuse and bullying as outlined in the Guidance for Dealing with Allegations and Concerns of Abuse.

Child

Child means a person under the age of 18 years other than a person who is or has been married.

Children's Officer

Both Club and County Committees appoint a Children's Officer as a member of their Club Executive or County Committee whose role includes ensuring that all aspects of the Code of Behaviour (Underage) are implemented and that those working with children are vetted and have attended child safeguarding training and other training relevant to their roles. The Children's Officers shall be the Association's relevant persons or first point of contact in respect of the Child Safeguarding Statement. Each Association shall also appoint a National Children's Officer.

Child Safeguarding Statement

This is the statement that each Club and County Board is obliged to put on display, in a prominent position, having previously completed a Child Safeguarding Risk Assessment document.

Child Safeguarding Training

Our Associations currently provide three levels of Child Safeguarding Training. Attendance at these training workshops is mandatory depending on which role a person may fulfil within our Associations.

- Safeguarding Level 1 – Child Protection in Sport Awareness Workshop for coaches and other personnel working with children
- Safeguarding Level 2 – Children's Officer Workshop for Club Children's Officers
- Safeguarding Level 3 – Designated Liaison Person Workshop for Club Designated Liaison Persons

Child Safeguarding Risk Assessment

Under the Children First Act 2015 organisations providing a service to children must carry out a risk assessment. The risk assessment is an exercise where each unit examines all aspects of our services from a safeguarding perspective to establish whether there are any practices or features of our services that have the potential to put children at risk. The Gaelic Games Associations agreed that all units, e.g. Clubs, County Boards etc. shall as a quality assurance and safeguarding measure undertake an annual risk assessment procedure regardless of what jurisdiction they operate in. The template format for carrying out a risk assessment is issued by the National Child Safeguarding Committee annually.

Club

The Club is the basic unit within each of our Associations and is held responsible for the conduct of its members and known partisans.

Coach/Manager/Mentor

Within the Code this refers to a coach, manager, trainer, mentor or any other title (if any) given to a person who assists in a role of responsibility with an underage team or individuals or as appropriate with an individual on a team which may play at adult level.

Code of Behaviour (Underage)

The Code of Behaviour (Underage) outlines the standards of practice required of those participating in underage games and activities, regardless of what role they may fulfil and in doing so, brings together the collective good practice experiences of our Associations while also recognising legislative, organisational and statutory guidance that governs our work with young people and children.

Code of Behaviour (Underage) Hearings Committees

Each Club, County Committee and the National Child Safeguarding Committee shall appoint a Code of Behaviour (Underage) Hearings Committee (Code Hearings Committee) consisting of three individuals to hear allegations of breaches of the Code of Behaviour (Underage) in accordance with the provisions of the Code.

Designated Liaison Persons (DLP)

The DLP at Club, County or National level is the person who shall assist members who wish to have allegations or concerns of abuse processed internally and with the statutory authorities in accordance with our Guidance on Dealing with Allegations or Concerns of Abuse.

Gaelic Games Associations

Refers to the Gaelic Athletic Association (GAA), Ladies Gaelic Association (LGFA), the Camogie Association (Camogie), Rounders Council of Ireland and GAA Handball Ireland.

Guidance on Dealing with Allegations or Concerns of Abuse

An agreed policy document between the Gaelic Games Association that directs our members, Clubs, County Committees, Provincial Councils and our national offices when dealing with allegations or concerns of abuse.

Mandated Person

Each of our Associations must in accordance with the requirements of Children First legislation in Ireland appoint one Mandated Person per Association who is required to report child protection concerns, over a defined threshold, to Tusla (Child and Family Agency) and to assist Tusla, if requested, in assessing concerns which have been the subject of a mandated report.

Parents/Guardians

The terms Parents/Guardians are used frequently in the Code to describe those with parental or guardianship responsibilities for a child in our Associations.

Statutory Authorities

Statutory Authorities means in Ireland 'Tusla' (Child and Family Agency) and An Garda Síochána and in Northern Ireland (NI) the Health and Social Care Trust and the Police Service of Northern Ireland (PSNI).

Underage

The term Underage has a dual meaning in that it refers to competitions and activities for persons under the legal age of 18 yrs. and also to individuals who are under 18 yrs. of age including those who participate in adult events.

Vetting

Vetting refers to the legal and Association requirements that all persons who wish to work with children in our Associations must undertake vetting or police background checks prior to commencing any such role.

Young Person

For the purpose of the Code a young person is defined similar to the definition of a child as a person under the age of 18 years other than a person who is or has been married. 'Young Person' is often used to distinguish between a younger child and perhaps a teenager, hence the term 'children and young people'.
