

Blackrock / St. Michael's GAA Golf Classic

A hugely successful two-day celebration of golf, community and fundraising

A tremendous success — The Blackrock Hurling Club and St. Michael's Gaelic Football Club Annual Golf Classic proved to be an outstanding success, raising a significant amount of money for the club and providing a fantastic occasion for more than 300 golfers at Monkstown Golf Club. Across the two days, the event combined competitive golf with great camaraderie, excellent hospitality and tremendous support from the local business and golfing community.

Perfect golfing conditions

Although there was a little rain on Thursday, Friday delivered near-perfect golfing weather, with plenty of sunshine and ideal conditions for the many teams taking part. The Monkstown Golf Club course was in fantastic condition, providing an excellent test of golf and a superb setting for the Classic.

Outstanding support

The organisers would like to extend sincere thanks to every participant, all 130 tee-box sponsors and each of the prize sponsors whose generosity helped make the event such a success. The level of support demonstrated the strength of the relationship between the clubs, their members and the wider community.

Title Sponsor — Mahon Point

Particular thanks go to Mahon Point Shopping Centre, the Title Sponsor of the 2026 Classic. Their continued and generous support over the past four years has been hugely appreciated and has played an important role in the success and growth of the event.

Exceptional hospitality

The golfing experience was complemented by exceptional hospitality. The quality of the food served at both lunch and dinner was outstanding, with the catering receiving very positive feedback and adding to the overall enjoyment of the occasion.

Supporting HOPE Foundation

The Classic also provided an opportunity to support the HOPE Foundation. A dedicated fundraiser held as part of the event raised more than €800 for the charity — another wonderful example of the generosity of participants and supporters.

Congratulations to Iron Mountain

Congratulations to Iron Mountain, the 2026 winning team. Gary McCarthy collected the winners' prize and paid a warm compliment to the organising committee and Monkstown Golf Club, congratulating everyone on the quality and organisation of the event.
